Item 1.01 Entry into Material Definitive Agreement.

On July 25, 2018, Merit entered into an Underwriting Agreement (the “Underwriting Agreement”) with Wells Fargo Securities, LLC and Piper Jaffray & Co., as representatives of the several underwriters named in Schedule A thereto (collectively, the “Underwriters”), pursuant to which the Company (i) agreed to issue and sell 3,500,000 shares (the “Firm Shares”) of its common stock, no par value (the “Common Stock”), to the Underwriters, and (ii) granted the Underwriters a 30-day option to purchase up to an additional 525,000 shares of Common Stock from the Company (the “Option Shares”, and together with the Firm Shares, the “Securities”) to cover any overallocments. On July 26, 2018, the Underwriters exercised their option to purchase all of the Option Shares. The Underwriters propose to sell the Securities at a public offering price of \$54.00 per share, and have agreed to purchase the Securities from the Company at a price of \$51.03 per share.

The closing of the sale of the Securities took place on July 30, 2018. After deducting underwriting discounts and estimated offering expenses payable by the Company, the Company anticipates receiving aggregate net proceeds from the issuance and sale of the Securities of approximately \$204.9 million. The Company expects to use the net proceeds to repay outstanding indebtedness under its credit facility.

2

The offering of the Securities (the “Offering”) was made pursuant to a prospectus supplement dated July 25, 2018, and an accompanying base prospectus dated July 24, 2018, delivered in connection with a takedown offering under the Company’s “automatic shelf registration statement” (as defined in Rule 405 under the Securities Act) on Form S-3ASR (Registration No. 333-226320), which was filed with the Securities and Exchange Commission on July 24, 2018.

The Underwriting Agreement contains customary representations, warranties, and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act, other obligations of the parties, and termination provisions. The representations, warranties, and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties of such agreement, and may be subject to limitations agreed upon by the contracting parties. Accordingly, other parties should not rely on any of the representations, warranties, and covenants contained in the Underwriting Agreement.

The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the Underwriting Agreement, a copy of which is filed as Exhibit 1.1 to this Current Report and incorporated herein by reference.

A copy of the opinion of Parr Brown Gee & Loveless relating to the validity of the Securities is filed as Exhibit 5.1 to this Current Report and incorporated by reference herein.

Ladies and Gentlemen:

Merit Medical Systems, Inc., a Utah corporation (the “**Company**”), proposes to sell to Wells Fargo Securities, LLC (“**Wells Fargo**”) and Piper Jaffray & Co. (“**Piper Jaffray**” and, together with Wells Fargo, the “**Representatives**”), and each of the other underwriters named in Schedule A hereto (collectively, the “**Underwriters**,” which term shall also include any underwriter substituted as hereinafter provided in Section 10 hereof) an aggregate of 3,500,000 shares (the “**Firm Shares**”) of Common Stock, no par value per share (the “**Common Stock**”), of the Company. The Company has also granted to the Underwriters an option to purchase up to 525,000 additional shares of Common Stock, on the terms and for the purposes set forth in Section 3 hereof (the “**Option Shares**”). The Firm Shares and any Option Shares purchased pursuant to this Underwriting Agreement are herein collectively called the “**Securities**.”

The Company understands that the Underwriters propose to make a public offering of the Securities as soon as the Representatives deem advisable after this Agreement has been executed and delivered and hereby confirms its agreement with respect to the sale of the Securities to the Underwriters pursuant to the terms of this Agreement.

1. **Registration Statement and Prospectus.** The Company has prepared and filed with the Securities and Exchange Commission (the “**Commission**”) an “automatic shelf registration statement” as defined under Rule 405 under the Securities Act of 1933, as amended (the “**Securities Act**” or “**Act**”) and the rules and regulations (the “**Rules and Regulations**”) of the Commission thereunder, on Form S-3 (File No. 333-226320), and such registration statement, and any post-effective amendments thereto, became effective upon filing in accordance with Rule 462(e) under the Securities Act. Such registration statement, at any given time, including amendments thereto to such time, the exhibits and any schedules thereto at such

time, the documents incorporated by reference therein pursuant to Item 12(a) of Form S-3 under the Securities Act at such time and the documents and information otherwise deemed to be a part thereof or included therein by Rule 430B under the Securities Act (the “**Rule 430B Information**”) or otherwise pursuant to the Rules and Regulations at such time, is herein called the “**Registration Statement**.”

The prospectus in the form in which it appeared in the Registration Statement is herein called the “**Base Prospectus**.” Each preliminary prospectus supplement to the Base Prospectus (including the Base Prospectus as so supplemented), that describes the Securities and the offering thereof, that omitted the Rule 430B Information and that was used prior to the filing of the final prospectus supplement referred to in the following sentence is herein called a “**Preliminary Prospectus**.” Promptly after execution and delivery of this Agreement, the Company will prepare and file with the Commission a final prospectus supplement to the Base Prospectus relating to the Securities and the offering thereof in accordance with the provisions of Rule 430B and Rule 424(b) of the Rules and Regulations. Such final supplemental form of prospectus (including the Base Prospectus as so supplemented), in the form filed with the Commission pursuant to Rule 424(b) is herein called the “**Prospectus**.” Any reference herein to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents incorporated or deemed to be incorporated by reference therein pursuant to Item 12(a) of Form S-3 under the Securities Act as of the most recent effective date of the Registration Statement or the date of such prospectus, as the case may be (excluding, for clarity, any documents that have been superseded or modified pursuant to Rule 412 of the Securities Act).

For purposes of this Agreement, all references to the Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system (“**EDGAR**”) or any successor system. All references in this Agreement to financial statements and schedules and other information which is “described,” “contained,” “included” or “stated” in the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is incorporated by reference in or otherwise deemed by the Rules and Regulations to be a part of or included in the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus, as the case may be (excluding, for clarity, any documents that have been superseded or modified pursuant to Rule 412 of the Securities Act). All references in this Agreement to amendments or supplements to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus shall be deemed to mean and include the subsequent filing of any document under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”) and which is deemed to be incorporated therein by reference or otherwise deemed by the Rules and Regulations to be a part thereof.

2. **Representations and Warranties of the Company.**

(a) The Company represents and warrants to each Underwriter as of the date hereof, the Time of Sale, the Closing Date and any Date of Delivery (each as defined in Section 3 below), and agrees with each Underwriter, as follows:

2

(i) No order preventing or suspending the use of any Preliminary Prospectus has been issued by the Commission. Each Preliminary Prospectus, at the time of filing or the time of first use within the meaning of the Rules and Regulations, complied in all material respects with the requirements of the Securities Act and the Rules and Regulations and did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; except that the foregoing shall not apply to statements in or omissions from any Preliminary Prospectus made in reliance upon, and in conformity with, the Underwriter Information (as defined in Section 2(iii) below).

(ii) The Registration Statement and any post-effective amendment thereto became effective upon filing within the three years prior to the date hereof. No stop order suspending the effectiveness of the Registration Statement is in effect and no proceedings for such purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated or threatened by the Commission.

(iii) Each part of the Registration Statement, at the time such part became effective (including each deemed effective date with respect to the Underwriters pursuant to Rule 430B or otherwise under the Securities Act), at all other subsequent times until the expiration of the Prospectus Delivery Period (as defined in Section 4(a) below), and at the Closing Date and any Date of Delivery, and the Prospectus (or any amendment or supplement to the Prospectus), at the time of filing or the time of first use within the meaning of the Rules and Regulations, at all subsequent times until expiration of the Prospectus Delivery Period, and at the Closing Date and any Date of Delivery complied and will comply in all material respects with the applicable requirements and provisions of the Securities Act, the Rules and Regulations and the Exchange Act and did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. The Prospectus, as amended or supplemented, as of its date, or the time of first use within the meaning of the Rules and Regulations, at all subsequent times until the expiration of the Prospectus Delivery Period, and at the Closing Date and any Date of Delivery, did not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The representations and warranties set forth in the two immediately preceding sentences do not apply to statements in or omissions from the Registration Statement, or the Prospectus, or any amendments or supplements thereto, made in reliance upon and in conformity with written information relating to the Underwriters furnished to the Company by any Underwriter through the Representatives expressly for use in the preparation thereof. For purposes of this Agreement, the only information so furnished shall be (1) the information in the first paragraph under the heading "Underwriting (Conflicts of Interest)—Commissions, Discounts and Estimated Expenses," (2) the information in the second, third and fourth paragraphs under the heading "Underwriting (Conflicts of Interest)—Price Stabilization and Short Positions," and (3) the list of Underwriters and their respective participation in the offering and sale of Securities, in each case contained in the Registration Statement, the Time of Sale

3

Disclosure Package (as defined in Section 2(a)(v) below) and the Prospectus (collectively, the "**Underwriter Information**").

(iv) The conditions for use of Form S-3, set forth in the General Instructions thereto, including, without limitation, General Instruction I.D, have been satisfied.

(v) Neither (A) the Issuer General Free Writing Prospectus(es) issued at or prior to the Time of Sale and set forth on Schedule I, the information set forth on Schedule II, and the Statutory Prospectus (as defined below) as of the Time of Sale, all considered together (collectively, the "**Time of Sale Disclosure Package**"), nor (B) any individual Issuer Limited-Use Free Writing Prospectus, when considered together with the Time of Sale Disclosure Package, includes or included as of the Time of Sale any untrue statement of a material fact or omits or omitted as of the Time of Sale to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from any Statutory Prospectus or any Issuer Free Writing Prospectus made in reliance upon, and in conformity with, the Underwriter Information. As used in this paragraph and elsewhere in this Agreement:

(1) "**Time of Sale**" means 5:30 p.m. (Eastern time) on the date of this Agreement.

(2) "**Statutory Prospectus**" as of any time means the Preliminary Prospectus that is included in the Registration Statement immediately prior to that time. For purposes of this definition, 430B Information contained in a form of prospectus that is deemed retroactively to be a part of the Registration Statement shall be considered to be included in the Statutory Prospectus as of the actual time that form of prospectus is filed with the Commission pursuant to Rule 424(b) under the Securities Act.

(3) "**Issuer Free Writing Prospectus**" means any "issuer free writing prospectus," as defined in Rule 433 under the Securities Act, relating to the Securities that (x) is required to be filed with the Commission by the Company, or (y) is exempt from filing pursuant to Rule 433(d)(5)(i) under the Securities Act because it contains a description of the Securities or of the offering that does not reflect the final terms, or is a "bona fide electronic roadshow," as defined in Rule 433 of the Rules and Regulations, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained in the Company's records pursuant to Rule 433(g) under the Securities Act.

(4) "**Issuer General Free Writing Prospectus**" means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule I to this Agreement.

(5) "**Issuer Limited-Use Free Writing Prospectus**" means any Issuer Free Writing Prospectus that is not an Issuer General Free Writing Prospectus.

Company notified or notifies the Underwriters as described in Section 4(b), did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement, any Statutory Prospectus or the Prospectus that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus made in reliance upon and in conformity with the Underwriter Information.

(B) (1) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2) under the Securities Act) of the Securities and (2) at the date hereof, the Company was not and is not an “ineligible issuer,” as defined in Rule 405 under the Securities Act, without taking into account any determination by the Commission pursuant to Rule 405 under the Securities Act that it is not necessary that the Company be considered an “ineligible issuer.”

(C) Each Issuer Free Writing Prospectus satisfied, as of its issue date and at all subsequent times through the Prospectus Delivery Period, all other conditions to use thereof as set forth in Rules 164 and 433 under the Securities Act.

(vii) The documents incorporated by reference in the Time of Sale Disclosure Package and in the Prospectus, when they became effective or were filed with the Commission, as the case may be, conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and were filed on a timely basis with the Commission and none of such documents contained an untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; any further documents so filed and incorporated by reference in the Time of Sale Disclosure Package or in the Prospectus, when such documents are filed with the Commission, will conform in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and will not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(viii) The financial statements of the Company, together with the related notes, set forth or incorporated by reference in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus comply in all material respects with the requirements of the Securities Act and the Exchange Act and fairly present the financial condition of the Company and its consolidated subsidiaries as of the dates indicated and the results of operations and changes in cash flows for the periods therein specified in conformity with generally accepted accounting principles in the United States consistently applied throughout the periods involved (“**GAAP**”). Any supporting schedules included in the Registration Statement present fairly the information required to be stated therein. No other financial statements or schedules are required to be included in the Registration Statement, the Time of Sale Disclosure Package or the Prospectus.

(ix) All non-GAAP financial information included in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus complies with the requirements of Regulation G and Item 10 of Regulation S-K under the Securities Act; and, except as disclosed in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, there are no material off-balance sheet arrangements (as defined in Regulation S-K under the Securities Act, Item 303(a)(4)(ii)) or any other relationships with unconsolidated entities or other persons, that may have a material current or, to the Company’s knowledge, material future effect on the Company’s financial condition, results of operations, liquidity, capital expenditures, capital resources or significant components of revenue or expenses. The selected financial data and the summary financial information included in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus present fairly the information shown therein and have been compiled on a basis consistent with that of the audited financial statements included therein. The interactive data in eXtensible Business Reporting Language incorporated by reference in the Registration Statement, the Time of Sale Disclosure Package and Prospectus fairly presents the information called for in all material respects and has been prepared in accordance with the Commission’s rules and guidelines applicable thereto.

(x) Deloitte & Touche LLP, which has expressed its opinion with respect to the audited financial statements and schedules set forth or incorporated by reference in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, is (x) an independent registered public accounting firm within the meaning of the Securities Act and the Rules and Regulations, and the rules of the Public Company Accounting Oversight Board (United States) (the “**PCAOB**”) and (y) to the knowledge of the Company, not in violation of the auditor independence requirements of the Sarbanes-Oxley Act.

(xi) Each of the Company and its subsidiaries (A) has been duly organized and is validly existing as a corporation (or other legal entity) in good standing (or the foreign equivalent thereof) under the laws of its jurisdiction of incorporation or organization, as applicable, (B) has the requisite corporate or other power and authority to own its properties and conduct its business as currently being carried on and as described in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, and (C) is duly qualified to do business as a foreign corporation (or other entity) in good standing in each jurisdiction in which it owns or leases real property or in which the conduct of its business makes such qualification necessary, except where the failure to be so qualified or have such power or authority would not, individually or in the aggregate, have a material adverse effect upon the business, prospects, management, properties, operations, condition (financial or otherwise) or results of operations of the Company and its subsidiaries, taken as a whole (“**Material Adverse Effect**”). For purposes of this Agreement, the Company’s “**subsidiaries**” consist solely of the entities identified as such in Schedule III hereto.

(xii) Except as otherwise disclosed in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, since the date of the most recent financial

statements of the Company included or incorporated by reference in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus:

(A) neither the Company nor any of its subsidiaries has incurred any material liabilities or obligations, direct or contingent, or entered into any material transactions, or declared or paid any dividends or made any distribution of any kind with respect to its capital stock;

(B) there has not been any change in the capital stock (other than a change in the number of outstanding shares of Common Stock due to the issuance of shares upon the exercise of outstanding options), or any material change in the short-term or long-term debt, or any issuance of options, warrants, convertible securities or other rights to purchase the capital stock (other than issuances of shares of Common Stock pursuant to the Company's existing stock incentive and other employee benefit plans referenced in the Registration Statement, the Time of Sale Disclosure Package or the Prospectus), of the Company or any of its subsidiaries; and

(C) there has not been any material adverse change in the general affairs, condition (financial or otherwise), business, prospects, management, properties, operations or results of operations of the Company and its subsidiaries, taken as a whole ("**Material Adverse Change**") or any development which could reasonably be expected to result in any Material Adverse Change.

(xiii) Except as set forth in the Time of Sale Disclosure Package and in the Prospectus, there is, to the knowledge of the Company, not pending, threatened or contemplated, any action, suit or proceeding (A) to which the Company or any of its subsidiaries is a party or (B) which has as the subject thereof any executive officer or director of the Company, any employee benefit plan sponsored by the Company or any property or assets owned or leased by the Company before or by any court or Governmental Authority (as defined in Section 2(a)(xv)(C) below), or any arbitrator, which, individually or in the aggregate, is reasonably likely to result (if determined adversely to the Company or any of its subsidiaries) in any Material Adverse Change, or would materially and adversely affect the ability of the Company to perform its obligations under this Agreement or which are otherwise material in the context of the sale of the Securities. There are no current or, to the knowledge of the Company, pending, legal, governmental or regulatory actions, suits or proceedings to which the Company or any of its subsidiaries is subject, or which have as the subject thereof, any executive officer or director of the Company, any employee benefit plan sponsored by the Company or any property or assets owned or leased by the Company, that are required to be described in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus by the Securities Act or by the Rules and Regulations and that have not been so described.

(xiv) There are no statutes, regulations, contracts or documents that are required to be described in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus or required to be filed as exhibits to the Registration Statement by the Securities Act or by the Rules and Regulations that have not been so described or filed.

7

(xv) This Agreement has been duly authorized, executed and delivered by the Company, and constitutes a valid, legal and binding obligation of the Company. The execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated will not (A) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company pursuant to any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, (B) result in any violation of the provisions of the Company's articles of incorporation or by-laws or (C) result in the violation of any law or statute or any judgment, order, rule, regulation or decree of any court or arbitrator or federal, state, local or foreign governmental agency or regulatory authority having jurisdiction over the Company or any of its subsidiaries or any of their properties or assets (each, a "**Governmental Authority**"), except, in the case of each of clauses (A) and (C) above, for such conflict, breach, violation or default that would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change. No consent, approval, authorization or order of, or registration or filing with any Governmental Authority is required for the execution, delivery and performance of this Agreement or for the consummation of the transactions contemplated hereby, including the issuance or sale of the Securities by the Company, except such as may be required under the Securities Act, the Rules and Regulations, the Exchange Act, the rules of the Financial Industry Regulatory Authority ("**FINRA**"), the rules of The Nasdaq Global Select Market ("**NASDAQ**," and such rules, the "**Exchange Rules**") or foreign or state securities or blue sky laws. The Company has the requisite corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby, including the authorization, issuance and sale of the Securities as contemplated by this Agreement.

(xvi) (A) All of the issued and outstanding shares of capital stock of the Company, including the outstanding shares of Common Stock, have been duly authorized and validly issued, are fully paid and nonassessable, have been issued in compliance with all applicable federal and state and foreign securities laws, were not issued in violation of any preemptive rights or other rights to subscribe for or purchase securities, and the holders thereof are not subject to personal liability by reason of being such holders; (B) the Securities which may be sold hereunder by the Company have been duly authorized and, when issued, delivered and paid for in accordance with the terms of this Agreement, will have been validly issued and will be fully paid and nonassessable, and the holders thereof will not be subject to personal liability by reason of being such holders; and (C) the capital stock of the Company, including the Common Stock, conforms to the description thereof in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus in all material respects. Except as otherwise stated in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, and except for restrictions on transfer applicable to employees, officers and directors that are contained in applicable policies of the Company, there are no preemptive rights or other rights to subscribe for or to purchase, or any restriction upon the voting or transfer of, any shares of Common Stock pursuant to the Company's articles of incorporation, by-laws or any

8

agreement or other instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound. Neither the filing of the Registration Statement nor the offering or sale of the Securities as contemplated by this Agreement gives rise to any rights for or relating to the registration of any shares of Common Stock or other securities of the Company (collectively "**Registration Rights**"), and no person currently has any such Registration Rights. All of the issued and outstanding shares of capital stock of each of the Company's subsidiaries

which are corporations have been duly and validly authorized and issued and are fully paid and nonassessable, except where the absence of such authorization, issuance or payment would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and, except as otherwise described in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, and except for security interests granted to the lenders under the Second Amended and Restated Credit Agreement, dated July 6, 2016, as amended on September 28, 2016, March 20, 2017, December 13, 2017 and March 28, 2018, or as set forth on Schedule III attached hereto, the Company directly or indirectly owns of record and beneficially, free and clear of any security interests, claims, liens, proxies, or other encumbrances, all of the issued and outstanding equity interests of the Company's subsidiaries. Except as referenced in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, there are no options, warrants, agreements, contracts or other rights in existence to purchase or acquire from the Company or any subsidiary of the Company any shares of the capital stock of the Company or any subsidiary of the Company. The property held under lease by the Company and its subsidiaries is held by them under valid, subsisting and enforceable leases with only such exceptions with respect to any particular lease as do not interfere in any material respect with the conduct of the business of the Company or its subsidiaries.

(xviii) The Company or one of its subsidiaries owns, licenses (or otherwise has the right to use), or can acquire on reasonable terms, all patents, patent applications, patent rights, trade and service marks, trade and service mark registrations, trade names, copyrights, inventions, trade secrets, domain names, know-how (including all unpatented

Furthermore:

(A) to the knowledge of the Company, there is no infringement, misappropriation or violation by third parties of any Intellectual Property owned by the Company and its subsidiaries (other than any infringement, misappropriation or violation which the Company believes is not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect);

(B) there is no pending or, to the knowledge of the Company, threatened, action, suit, proceeding or claim by others challenging the Company's or any of its subsidiaries' rights in or to any Intellectual Property owned by the Company and its subsidiaries (other than actions, suits, proceedings or claims which the Company believes are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect), and the Company is unaware of any facts which would form a reasonable basis for any such claim;

(C) the Intellectual Property owned by the Company and its subsidiaries, and to the knowledge of the Company, the Intellectual Property licensed to the Company and its subsidiaries, has not been adjudged invalid or unenforceable, in whole or in part, and there is no pending or, to the knowledge of the Company, threatened action, suit, proceeding or claim by others challenging the validity, enforceability or scope of any Intellectual Property owned by the Company and its subsidiaries (other than actions, suits, proceedings or claims which the Company believes are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect);

(D) other than actions, suits, proceedings or claims which the Company believes are not, individually or in the aggregate, reasonably likely to have a Material Adverse Effect, (1) there is no pending or, to the knowledge of the Company, threatened action, suit, proceeding or claim by others that the Company or any of its subsidiaries infringes, misappropriates or otherwise violates any Intellectual Property or other proprietary rights of others and (2) neither the Company nor any of its subsidiaries has received any written notice of such claim and the Company is unaware of any other fact which would form a reasonable basis for any such claim;

(E) each person who is or was an employee or contractor of the Company or its subsidiaries and who is or was involved, while an employee or contractor of the Company or its subsidiaries, in the creation or development of any Intellectual Property for or on behalf of the Company or its subsidiaries has signed an agreement containing an assignment to the Company or its subsidiaries of such person's rights in and to such Intellectual Property, except where the

failure to do so would not, individually or in the aggregate, be reasonably likely to have a Material Adverse Effect, and, to the Company's knowledge, no current employee of the Company or any of its subsidiaries is in or has ever been in violation of any term of any employment contract, patent disclosure agreement, invention assignment agreement, non-competition agreement, non-solicitation agreement, nondisclosure agreement or any restrictive covenant to or with a former employer where the basis of such violation relates to such employee's employment with the Company or any of its subsidiaries or actions undertaken by the employee while employed with the Company or any of its subsidiaries;

(F) the Company and its subsidiaries have complied with the terms of each agreement pursuant to which Intellectual Property is licensed to the Company or its subsidiaries, or the Company or its subsidiary, as the case may be, otherwise has the right to use such

Intellectual Property, except where the failure to so comply would not, individually or in the aggregate, be reasonably likely to have a Material Adverse Effect, and, to the Company's knowledge, all such agreements are in full force and effect.

(xix) Neither the Company nor any of its subsidiaries is (A) in violation of its respective articles of incorporation, by-laws or other organizational documents, or (B) in breach of or otherwise in default, and no event has occurred which, with notice or lapse of time or both, would constitute such a default in the performance of any material obligation, agreement or condition contained in any bond, debenture, note, indenture, loan agreement or any other material contract, lease or other instrument to which it is subject or by which any of them may be bound, or to which any of the material property or assets of the Company or any of its subsidiaries is subject, except, in the case of clause (B), for any such defaults or events which are not, individually or collectively, reasonably likely to result in a Material Adverse Change.

(xx) The Company and its subsidiaries have timely filed all federal, state, local and foreign income and franchise tax returns required to be filed and are not in default in the payment of any taxes which were payable pursuant to said returns or any assessments with respect thereto, except for such taxes as the Company or any of its subsidiaries is contesting in good faith, and except where the failure to timely file such tax returns or pay such taxes would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. There is no pending dispute with any taxing authority relating to any tax returns described in the immediately preceding sentence, and the Company has no knowledge of any proposed liability for any material tax to be imposed upon the properties or assets of the Company for which there is not a reserve reflected in the Company's financial statements included or incorporated by reference in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, which the Company's management believes is sufficient to address such liability.

(xxi) The Company has not distributed and will not distribute any prospectus or other offering material in connection with the offering and sale of the Securities other than any Preliminary Prospectus, the Time of Sale Disclosure Package or the Prospectus or other materials permitted by the Securities Act to be distributed by the Company; *provided, however*, that, except as set forth on Schedule I, the Company has not made

11

and will not make any offer relating to the Securities that would constitute a "free writing prospectus" as defined in Rule 405 under the Securities Act, except in accordance with the provisions of Section 2(a)(vi) of this Agreement.

(xxii) The Common Stock is registered pursuant to Section 12(b) of the Exchange Act and is included or approved for listing on NASDAQ under the ticker symbol "MMSI" and the Company has taken no action designed to, or likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act or delisting the Common Stock from NASDAQ nor has the Company received any notification that the Commission or NASDAQ is contemplating terminating such registration or listing. The Company has complied with the applicable requirements of NASDAQ for maintenance of inclusion of the Common Stock thereon. The Company has filed a notification form with NASDAQ for the listing of the Securities on NASDAQ.

(xxiii) Other than the subsidiaries of, and non-controlling interests of entities held by, the Company, in each case, as identified as such in Schedule III, the Company, directly or indirectly, owns no capital stock or other equity or ownership or proprietary interest in any corporation, partnership, association, trust or other entity.

The Company's internal control over financial reporting is effective and none of the Company, its board of directors and audit committee is aware of any "significant deficiencies" or "material weaknesses" (each as defined by the Public Company Accounting Oversight Board) in its internal control over financial reporting, or any fraud, whether or not material, that involves management or other employees of the Company who have a significant role in the Company's internal controls; and since the end of the latest audited fiscal year, there has been no change in the Company's internal control over financial reporting (whether or not remediated) that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting. The Company's board of directors has, subject to the exceptions, cure periods and the phase in periods specified in the applicable Exchange Rules, validly appointed an audit committee to oversee internal accounting controls whose composition satisfies the applicable requirements of the Exchange Rules and the Company's board of directors and/or the audit committee has adopted a charter that satisfies the requirements of the Exchange Rules.

(xxv) Other than as contemplated by this Agreement, the Company has not incurred any liability for any finder's or broker's fee or agent's commission in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby.

12

(F) has filed, obtained, maintained or submitted all material reports, documents, forms, notices, applications, records, claims, submissions and supplements or amendments as required by any Applicable Laws or Authorizations and that all such reports, documents, forms, notices, applications, records, claims, submissions and supplements or amendments were complete and

13

correct on the date filed in all material respects (or were corrected or supplemented by a subsequent submission);

(G) has not engaged in activities which are, as applicable, cause for false claims liability, civil penalties, or mandatory or permissive exclusion from Medicare, Medicaid, or any other state health care program or federal health care program, except where such false claims liability, civil penalties or exclusion would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect;

(H) has not, either voluntarily or involuntarily, initiated, conducted, or issued or caused to be initiated, conducted or issued, any recall, market withdrawal or replacement, safety alert, post-sale warning, “dear doctor” letter, or other notice or action relating to the alleged lack of safety or efficacy of any product of the Company or its subsidiaries or any alleged product defect or material violation, except where such recall, withdrawal or replacement, alert, warning, letter or other notice or action would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; and

(I) has, to the extent required by applicable laws and regulations of the FDA or any other applicable federal, state, local or foreign government or regulatory authority, submitted an Investigational Device Exemption application or amendment or supplement to FDA (or equivalent application or amendment or supplement to the appropriate foreign government or regulatory authority) or other required documentation for each clinical trial it has conducted or sponsored or is conducting or sponsoring, and all such submissions were in material compliance with applicable laws and regulations when submitted and no material deficiencies have been asserted by FDA or any other applicable federal, state, local, or foreign government or regulatory authority with respect to any such submission.

The Company and its subsidiaries are in compliance in all material respects with all reporting requirements under Applicable Laws, including, but not limited to, medical device reports (as defined by 21 C.F.R. Part 803), reports of corrections and removals (as defined by 21 C.F.R. (xxviii) The Company and its subsidiaries carry, or are covered by, insurance from insurers with appropriately rated claims paying abilities in such amounts and covering such risks as, in the reasonable judgment of the Company, is adequate and customary for the conduct of its business and the value of their properties and customary for companies engaged in similar businesses in similar industries; all policies of insurance and any fidelity or surety bonds insuring the Company and its subsidiaries or their business,

The Company is not currently aware of any information regarding the studies, tests and trials described or referred to in

the Registration Statement, the Time of Disclosure Package and the Prospectus that would reasonably be expected to have a material adverse effect on the results of such studies, tests and trials.

(xxxix) No approval of the stockholders of the Company under the rules and regulations of NASDAQ (including Rule 5635 of the NASDAQ Listing Rules), is required for the Company to issue and deliver the Securities to the Underwriters.

(xxxix) There is and has been no failure on the part of the Company or any of the Company's directors or officers, in their capacities as such, to comply in all material respects with any provision of the Sarbanes-Oxley Act of 2002 (the "**Sarbanes-Oxley Act**") and the rules and regulations promulgated in connection therewith, including Section 402 related to loans and Sections 302 and 906 related to certifications.

(xxxix) The Company has established and maintains "disclosure controls and procedures" (as defined in Rules 13a-14 and 15d-14 under the Exchange Act) and such controls and procedures are effective in ensuring that material information relating to the Company and its subsidiaries is made known to the Company's principal executive officer and the principal financial officer. The Company has utilized such controls and

15

(xxxix) Neither the Company nor any controlled affiliate of the Company has taken, directly or indirectly, any action which is designed, or would be expected, to cause or result in, or which constitutes, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities or to result in a violation of Regulation M under the Exchange Act.

(xxxix) None of the Company or any of its subsidiaries, nor, to the knowledge of the Company, any director, officer, agent, employee, affiliate or other person acting on behalf of the Company or any of its subsidiaries (excluding, for clarity, the Underwriters and their respective subsidiaries officers, directors, employees and affiliates, as to whom no representation is made), is aware of or has taken any action, directly or indirectly, that would result in a violation by such persons of applicable domestic and foreign anti-bribery and anti-corruption laws, including the United Kingdom Bribery Act of 2010 (the "**Bribery Act**") and the U.S. Foreign Corrupt Practices Act of 1977, as amended (the "**FCPA**"), including, without limitation, making use of the mails or any means or instrumentality of interstate commerce corruptly in furtherance of an offer, payment, promise to pay or authorization of the payment of any money, or other property, gift, promise to give, or authorization of the giving of anything of value to any "foreign official" (as such term is defined in the FCPA) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the FCPA. The Company and, to the knowledge of the Company, its affiliates (excluding, for clarity, the Underwriters and their respective subsidiaries officers, directors, employees and affiliates, as to whom no representation is made) have conducted their businesses in compliance with, and have instituted and maintain policies and procedures reasonably designed to ensure, and which are reasonably expected to continue to result in, continued compliance with applicable domestic and foreign anti-bribery and anti-corruption laws.

(xl) (i) To the knowledge of the Company, no “prohibited transaction” as defined under Section 406 of ERISA or Section 4975 of the Code and not exempt under ERISA Section 408 and the regulations and published interpretations thereunder has occurred with respect to any Employee Benefit Plan. At no time has the Company or any ERISA Affiliate maintained, sponsored, participated in, contributed to or has or had any liability or obligation in respect of any Employee Benefit Plan subject to Part 3 of Subtitle B of Title I of ERISA, Title IV of ERISA, or Sections 412, 430 or 4971 of the Code or Section 302 of ERISA, or any “multiemployer plan” as defined in Section 3(37) of ERISA or any multiple employer plan for which the Company or any ERISA Affiliate has incurred or could incur liability under Section 4063 or 4064 of ERISA. As used in this Agreement, “**Code**” means the Internal Revenue Code of 1986, as amended; “**Employee Benefit Plan**” means any “employee benefit plan” within the meaning of Section 3(3) of ERISA, including,

18

(xlii) (A) No labor problem or dispute with the employees of the Company or any of its subsidiaries exists or, to the knowledge of the Company, is threatened or imminent that could have a Material Adverse Effect, and (B) the Company is not aware of any existing or imminent labor disturbance by the employees of any of its or its subsidiaries’ principal suppliers, contractors or customers that could have a Material Adverse Effect.

(xliii) No subsidiary of the Company is currently prohibited, directly or indirectly, from paying any dividends to the Company, from making any other distribution on such subsidiary’s capital stock, from repaying to the Company any loans or advances to such subsidiary from the Company or from transferring any of such subsidiary’s property or assets to the Company or any other subsidiary of the Company, except as described in or contemplated by the Time of Sale Disclosure Package and the Prospectus.

(xliv) Any statistical and market-related data included in the Registration Statement, the Time of Sale Disclosure Package or the Prospectus are based on or derived from sources that the Company believes, after reasonable inquiry, to be reliable and accurate in all material respects and, to the extent required, the Company has obtained the written consent to the use of such data from such sources.

Certificates representing the Firm Shares, in definitive form and in such denominations and registered in such names as the Representatives may request upon at least two business days’ prior notice to the Company and the Custodian, will be made available for checking at a reasonable time preceding the Closing Date at the offices of Wells Fargo Securities, LLC, 375 Park Avenue, 4th Floor, New York, New York 10152, or such other location as may be mutually acceptable.

(b) On the basis of the representations, warranties and agreements herein contained, but subject to the terms and conditions herein set forth, the Company hereby grants to the Underwriters, severally and not jointly, an option to purchase all or any portion of the Option Shares at the same purchase price as the Firm Shares, less an amount per share equal to any dividends or distributions declared by the Company and payable on the Firm Shares but not payable on the Option Shares. The option granted hereunder may be exercised in whole or in part at any time from time to time within 30 days after the effective date of this Agreement upon notice (confirmed in writing) by the Representatives to the Company setting forth the aggregate number of Option Shares as to which the several Underwriters are then exercising the option, the names and denominations in which the certificates for the Option Shares are to be registered and the date and time, as determined by the Representatives, when the Option Shares are to be delivered, any such time and date being herein referred to as a “**Date of Delivery**,” respectively; *provided, however*, that each Date of Delivery shall not be earlier than the Closing Date nor earlier than the second business day after the date on which the option shall have been exercised. If the option is exercised as to all or any portion of the Option Shares, each of the Underwriters, acting severally and not jointly, will purchase that proportion of the total number of Option Shares then being purchased which the number of Firm Shares set forth in Schedule A opposite

the name of such Underwriter bears to the total number of Firm Shares, subject, in each case, to such adjustments as the Representatives in their sole discretion shall make to eliminate any sales or purchases of fractional shares. No Option Shares shall be sold and delivered unless the Firm Shares previously have been, or simultaneously are, sold and delivered.

The Option Shares will be delivered by the Company and the Custodian to the Underwriters for the accounts of the Underwriters against payment of the purchase price therefor by wire transfer of same day funds payable to the order of the Company or the Custodian, as appropriate, at the offices of Wells Fargo Securities, LLC, 375 Park Avenue, 4th Floor, New York, New York 10152, or such other location as may be mutually acceptable at 9:00 a.m., Eastern time, on each Date of Delivery. If the Representatives so elect, delivery of the Option Shares may be made by credit through full fast transfer to the accounts at The Depository Trust Company designated by the Underwriters. It is understood that each Underwriter has authorized the Representatives, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Firm Shares and the Option Shares, if any, which it has agreed to purchase. Certificates representing the Option Shares in definitive form and in such denominations and registered in such names as each Underwriter has set forth in its notice of option exercise, or evidence of their issuance, will be made available for checking at a reasonable time preceding each Date of Delivery at the office of Wells Fargo Securities, LLC, 375 Park Avenue, 4th Floor, New York, New York 10152, or such other location as may be mutually acceptable.

4. **Covenants.** The Company covenants and agrees with each Underwriter as follows:

(a) During the period beginning on the date hereof and ending on the later of the last possible Date of Delivery or such date as, in the opinion of counsel for the Underwriters, the Prospectus is no longer required by law to be delivered (assuming the absence of Rule 172 under the Securities Act), in connection with sales by an Underwriter or dealer (the “**Prospectus Delivery Period**”), prior to amending or supplementing the Registration Statement, the Time of Sale Disclosure Package or the Prospectus, the Company shall furnish to the Representatives for review a copy of each such proposed amendment or supplement, and the Company shall not file any such proposed amendment or supplement to which the Representatives or counsel to the Underwriters reasonably object. Subject to this Section 4(a), immediately following execution of this Agreement, the Company will prepare the Prospectus containing the Rule 430B Information and other selling terms of the Securities, the plan of distribution thereof and such other information as may be required by the Securities Act or the Rules and Regulations or as the Underwriters and the Company may deem appropriate, and if requested by the Underwriters, an Issuer Free Writing Prospectus containing the selling terms of the Securities and such other information as the Company and the Underwriters may deem appropriate, and will file or transmit for filing with the Commission, in accordance with Rule 424(b) or Rule 433, as the case may be, copies of the Prospectus and each Issuer Free Writing Prospectus.

(b) After the date of this Agreement and during the Prospectus Delivery Period, the Company shall promptly advise the Representatives in writing of: (i) the receipt of any comments of, or requests for additional or supplemental information from, the Commission; (ii) the time and date of any filing of any post-effective amendment to the Registration Statement or any amendment or supplement to any Preliminary Prospectus, the Time of Sale Disclosure

Package or the Prospectus; (iii) the time and date that any post-effective amendment to the Registration Statement becomes effective; (iv) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto or of any order preventing or suspending its use or the use of any Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus; or (v) any proceedings to remove, suspend or terminate from listing or quotation the Common Stock from any securities exchange upon which it is listed for trading or included or designated for quotation, or of the threatening or initiation of any proceedings for any of such purposes. If the Commission shall enter any such stop order at any time, the Company will use its best reasonable efforts to obtain the lifting of such order at the earliest possible moment. Additionally, the Company agrees that it shall comply with the provisions of Rules 424(b), 430A and 430B, as applicable, under the Securities Act and will use its reasonable efforts to confirm that any filings made by the Company under Rule 424(b) or Rule 433 were received in a timely manner by the Commission (without reliance on Rule 424(b)(8) or Rule 164(b)).

(c)

(i) During the Prospectus Delivery Period, the Company will comply as far as it is able with all requirements imposed upon it by the Securities Act and by the Rules and Regulations, as from time to time in force, and by the Exchange Act so far as necessary to permit the continuance of sales of or dealings in the Securities as contemplated by the provisions hereof, the Time of Sale Disclosure Package and the Prospectus. If during such period any event occurs as a result of which the Prospectus (or if the Prospectus is not yet available to prospective purchasers, the Time of Sale Disclosure Package) would include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances then existing, not misleading, or if during such period it is necessary or appropriate in the opinion of the Company or its counsel or the Representatives or counsel to the Underwriters to amend the Registration Statement or supplement the Prospectus (or, if the Prospectus is not yet available to prospective purchasers, the Time of Sale Disclosure Package) to comply with the Securities Act or to file under the Exchange Act any document which would be deemed to be incorporated by reference in the Prospectus in order to comply with the Securities Act or the Exchange Act, the Company will promptly notify the Representatives and will amend the Registration Statement or supplement the Prospectus (or, if the Prospectus is not yet available to prospective purchasers, the Time of Sale Disclosure Package) or file such document (at the expense of the Company) so as to correct such statement or omission or effect such compliance.

(ii) If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, the Statutory Prospectus or the Prospectus that has not been superseded or modified or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, the Company has promptly notified or promptly will notify the Representatives and has promptly amended or will promptly amend or supplement, at its

22

own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(iii) If immediately prior to the third anniversary of the initial effective date of the Registration Statement, any of the Securities remain unsold by the Underwriters, the Company will prior to that third anniversary file, if it has not already done so, a new shelf registration statement relating to the Securities, in a form satisfactory to the Underwriters, will use its best efforts to cause such registration statement to be declared effective within 180 days after that third anniversary, and will take all other action necessary or appropriate to permit the public offering and sale of the Securities to continue as contemplated in the expired registration statement relating to the Securities. References herein to the Registration Statement shall include such new shelf registration statement.

(d) The Company shall take or cause to be taken all necessary action to qualify the Securities for sale under the securities laws of such jurisdictions as the Representatives reasonably designate and to continue such qualifications in effect so long as required for the distribution of the Securities, except that the Company shall not be required in connection therewith to qualify as a foreign corporation or to execute a general consent to service of process in any state or other jurisdiction.

(e) The Company will furnish, at its own expense, to the Representatives and counsel for the Underwriters copies of the Registration Statement (which will include, if requested by the Representatives, three complete manually signed copies of the Registration Statement and all consents and exhibits filed therewith), and to the Representatives and any dealer each Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus, any Issuer Free Writing Prospectus, and all amendments and supplements to such documents, in each case as soon as available and in such quantities as the Representatives may from time to time reasonably request.

(f) During a period of five years commencing with the date hereof, the Company will furnish to the Representatives, if so requested by the Representatives in writing, copies of all periodic and special reports furnished to the stockholders of the Company and all information, documents and reports filed with the Commission, FINRA or any securities exchange (other than any such information, documents and reports that are filed with the Commission electronically via EDGAR or any successor system).

(g) The Company will make generally available to its security holders as soon as practicable, but in no event later than 15 months after the end of the Company's current fiscal quarter, an earnings statement (which need not be audited) covering a 12-month period that shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 of the Rules and Regulations.

(h) The Company, whether or not the transactions contemplated hereunder are consummated or this Agreement is terminated, will pay or cause to be paid (i) all expenses (including transfer taxes allocated to the respective transferees) incurred in connection with the delivery to the Underwriters of the Securities; (ii) all expenses and fees (including, without limitation, fees and expenses of the Company's accountants and counsel) in connection with the preparation, printing, filing, delivery, and shipping of the Registration Statement (including the

23

financial statements therein and all amendments, schedules, and exhibits thereto), the Securities, each Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus, any Issuer Free Writing Prospectus and any amendment thereof or supplement thereto, and the printing, delivery, and shipping of this Agreement and other underwriting documents; (iii) all filing fees and fees and disbursements of the Underwriters' counsel incurred in connection with the qualification of the Securities for offering and sale by the Underwriters or by dealers under the applicable securities laws of jurisdictions which the Underwriters shall designate, including the filing fees and fees and disbursements of Underwriters counsel incident to any required review and approval by FINRA of the terms of the sale of the Securities; *provided, however*, that such costs and expenses provided for in this clause (iii) shall not exceed \$20,000 in the aggregate without the prior consent of the Company; (iv) the fees and expenses of the Custodian and any transfer agent or registrar; (v) listing fees, if any; (vi) the cost and expenses of the Company relating to investor presentations or any "roadshow" undertaken in connection with marketing of the Securities, including without limitation, expenses associated with the production of roadshow slides and graphics, fees and expenses of any consultants engaged in connection with the roadshow presentations, travel and lodging expenses of the representatives and officers of the Company and any such consultants, and the cost of aircraft and other transportation chartered in connection with the roadshow; (vii) all other costs and expenses of the Company incident to the performance of its obligations hereunder that are not otherwise specifically provided for herein; and (viii) all other costs and expenses of the Underwriters (including reasonable fees and disbursements of counsel) incident to the performance of their obligations hereunder not otherwise specifically provided for herein; *provided, however*, such costs and expenses provided for in this clause (viii) shall not exceed \$100,000 in the aggregate (the "**Reimbursement Limit**") without the prior consent of the Company.

(i) The Company will apply the net proceeds from the sale of the Securities to be sold by it hereunder for the purposes set forth in the Time of Sale Disclosure Package and in the Prospectus.

(j) During a period of 90 days from the date of the Prospectus (the "**Lock-Up Period**"), the Company will not, without the prior written consent of the Representatives, (i) directly or indirectly, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase or otherwise transfer or dispose of any shares of Common Stock or any securities convertible into or exercisable or exchangeable for Common Stock or file any registration statement under the Securities Act with respect to any of the foregoing or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of the Common Stock, whether any such swap or transaction described in clause (i) or (ii) above is to be settled by delivery of Common Stock or other securities, in cash or otherwise. The foregoing sentence shall not apply to (A) the Securities to be sold hereunder, (B) any shares of Common Stock issued by the Company upon the exercise of an option or warrant or the conversion of a security outstanding on the date hereof and referred to in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, (C) any shares of Common Stock issued or options to purchase Common Stock granted pursuant to existing employee benefit plans of the Company referred to in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus or (D) any shares of Common Stock issued pursuant to any non-employee director stock plan or dividend

24

reinvestment plan referred to in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus.

(k) The Company has caused to be delivered to the Representatives prior to the date of this Agreement a letter, substantially in the form of Exhibit A hereto (the "**Lock-Up Agreement**"), signed by each of the Company's directors and executive officers listed in Schedule B hereto. The Company will enforce the terms of each Lock-Up Agreement and issue stop-transfer instructions to the transfer agent for the Common Stock with respect to any transaction or contemplated transaction that would constitute a breach of or default under the applicable Lock-Up Agreement.

(l) The Company will not take, directly or indirectly, any action designed to or which might reasonably be expected to cause or result in, or which has constituted, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(m) The Company will not incur any liability for any finder's or broker's fee or agent's commission in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby.

(n) During the Prospectus Delivery Period, the Company will file on a timely basis with the Commission such periodic and special reports as required by the Rules and Regulations.

(o) The Company and its subsidiaries will maintain such controls and other procedures, including without limitation those required by the Exchange Act and the applicable regulations thereunder, that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Commission's rules and forms, including without limitation, controls and procedures designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Company's management, including its principal executive officer and its principal financial officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure, to ensure that material information relating to Company, including its subsidiaries, is made known to them by others within those entities.

(p) The Company and its subsidiaries will comply in all material respects with all applicable provisions of the Sarbanes-Oxley Act.

(q) The Company represents and agrees that, unless it obtains the prior written consent of the Representatives, it has not made and will not make any offer relating to the Securities that would constitute an "issuer free writing prospectus," as defined in Rule 433 under the Securities Act, or that would otherwise constitute a "free writing prospectus," as defined in Rule 405 under the Securities Act, required to be filed with the Commission; *provided* that the prior written consent of the parties hereto shall be deemed to have been given in respect of the free writing prospectuses included in Schedule I. Any such free writing prospectus consented to by the Company and the Representatives is hereinafter referred to as a "**Permitted Free Writing Prospectus**." The Company represents that it has treated or agrees that it will treat each

25

Permitted Free Writing Prospectus as an "issuer free writing prospectus," as defined in Rule 433, and has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely Commission filing where required, legending and record keeping.

5. **Conditions of Underwriters' Obligations.** The obligations of the several Underwriters hereunder are subject to the accuracy, as of the date hereof, at the Closing Date and any Date of Delivery (as if made at such Closing Date), of and compliance with all representations, warranties and agreements of the Company contained herein or made pursuant hereto to the performance by the Company of its obligations hereunder and to the following additional conditions:

(a) If filing of the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, is required under the Securities Act or the Rules and Regulations, the Company shall have filed the Prospectus (or such amendment or supplement) or such Issuer Free Writing Prospectus with the Commission in the manner and within the time period so required (without reliance on Rule 424(b)(8) or Rule 164(b)); the Registration Statement shall remain effective; no stop order suspending the effectiveness of the Registration Statement or any part thereof, nor suspending or preventing the use of the Time of Sale Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus shall have been issued; no proceedings for the issuance of such an order shall have been initiated or threatened; any request of the Commission for additional information (to be included in the Registration Statement, the Time of Sale Disclosure Package, the Prospectus, any Issuer Free Writing Prospectus or otherwise) shall have been complied with to the Representatives' satisfaction.

(b) The Representatives shall not have advised the Company that (i) the Registration Statement or any amendment thereof or supplement thereto contains an untrue statement of a material fact which, in the Representatives' opinion, is material or omits to state a material fact which, in the Representatives' opinion, is required to be stated therein or necessary to make the statements therein not misleading, or (ii) the Time of Sale Disclosure Package or the Prospectus, or any amendment thereof or supplement thereto, or any Issuer Free Writing Prospectus contains an untrue statement of fact which, in the Representatives' opinion, is material, or omits to state a fact which, in the Representatives' opinion, is material and is required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they are made, not misleading.

(c) (i) Except as contemplated in the Time of Sale Disclosure Package and in the Prospectus, subsequent to the respective dates as of which information is given in the Time of Sale Disclosure Package, neither the Company nor any of its subsidiaries shall have incurred any material liabilities or obligations, direct or contingent, or entered into any material transactions, or declared or paid any dividends or made any distribution of any kind with respect to its capital stock; and (ii) there shall not have been any change in the capital stock (other than a change in the number of outstanding shares of Common Stock due to the issuance of shares upon the exercise of outstanding options or warrants), or any material change in the short-term or long-term debt of the Company, or any issuance of options, warrants, convertible securities or other rights to purchase the capital stock of the Company or any of its subsidiaries, or any Material Adverse Change or any development involving a prospective Material Adverse Change (whether or not arising in the ordinary course of business), or any loss by strike, fire, flood, earthquake,

26

accident or other calamity, whether or not covered by insurance, incurred by the Company or any subsidiary, the effect of which, in any such case described above, in the Representatives' judgment, makes it impractical or inadvisable to offer or deliver the Securities on the terms and in the manner contemplated in the Time of Sale Disclosure Package and in the Prospectus.

(d) On the Closing Date and any Date of Delivery, there shall have been furnished to the Representatives the opinion and disclosure letter of Parr Brown Gee & Loveless, counsel for the Company, dated such Closing Date or Date of Delivery, as applicable, and addressed to the Representatives in form and substance acceptable to the Representatives.

(e) On the Closing Date and any Date of Delivery, there shall have been furnished to the Representatives the opinion of Stoel Rives, LLP, special intellectual property counsel for the Company, dated such Closing Date or Date of Delivery, as applicable, and addressed to the Representatives in form and substance acceptable to the Representatives.

(i) On the Closing Date and each Date of Delivery, there shall have been furnished to the Representatives, a certificate, dated the Closing Date or such Date of Delivery, as applicable, and addressed to the Representatives, signed by the chief executive officer and by the chief financial officer of the Company, to the effect that:

(i) The representations and warranties of the Company in this Agreement are true and correct, in all material respects, as if made at and as of such Closing Date or

27

Date of Delivery, as applicable, and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to such Closing Date or Date of Delivery, as applicable;

(A) each part of the Registration Statement and the Prospectus, and any amendments thereof or supplements thereto (including any documents filed under the Exchange Act and deemed to be incorporated by reference into the Prospectus) contain, and contained, when such part of the Registration Statement (or such amendment) became effective, all statements and information required to be included therein, each part of the Registration Statement, or any amendment thereof, does not contain, and did not contain, when such part of the Registration Statement (or such amendment) became effective, any untrue statement of a material fact or omit to state, and did not omit to state when such part of the Registration Statement (or such amendment) became effective, any material fact required to be stated therein or necessary to make the statements therein not misleading, and the Prospectus, as amended or supplemented, does not include and did not include as of its date, or the time of first use within the meaning of the Rules and Regulations, any untrue statement of a material fact or omit to state and did not omit to state as of its date, or the time of first use within the meaning of the Rules and Regulations, a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading,

(B) neither (1) the Time of Sale Disclosure Package nor (2) any individual Issuer Limited-Use Free Writing Prospectus, when considered together with the Time of Sale Disclosure Package, include, nor included as of the Time of Sale any untrue statement of a material fact or omits, or omitted as of the Time of Sale, to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading,

(C) since the Time of Sale, there has occurred no event required to be set forth in an amended or supplemented prospectus which has not been so set forth, and there has been no document required to be filed under the Exchange Act that upon such filing would be deemed to be incorporated by reference into

28

the Time of Sale Disclosure Package or into the Prospectus that has not been so filed,

(D) subsequent to the respective dates as of which information is given in the Time of Sale Disclosure Package and in the Prospectus, neither the Company nor any of its subsidiaries has incurred any material liabilities or obligations, direct or contingent, or entered into any material transactions, not in the ordinary course of business, or declared or paid any dividends or made any distribution of any kind with respect to its capital stock, and except as disclosed in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, there has not been any change in the capital stock (other than a change in the number of outstanding shares of Common Stock due to the issuance of shares upon the exercise of outstanding options or warrants), or any material change in the short-term or long-term debt, or any issuance of options, warrants, convertible securities or other rights to purchase the capital stock, of the Company, or any of its subsidiaries, or any Material Adverse Change or any development which could reasonably be expected to result in any Material Adverse Change (whether or not arising in the ordinary course of business), or any loss by strike, fire, flood, earthquake, accident or other calamity, whether or not covered by insurance, incurred by the Company or any subsidiary, and

(j) On the date hereof, the Closing Date and any Date of Delivery, the Representatives shall have received a certificate, dated the respective date of delivery thereof, of its chief financial officer with respect to certain financial data contained in the Time of Sale Disclosure Package and the Prospectus, which certificate shall be substantially in the form attached hereto as Exhibit B.

(k) FINRA shall have raised no objection to the fairness and reasonableness of the underwriting terms and arrangements.

(l) The Company shall have furnished to the Representatives and counsel for the Underwriters such additional documents, certificates and evidence as the Representatives or counsel for the Underwriters may have reasonably requested.

(m) The Securities to be delivered on such Closing Date or Date of Delivery, as applicable, have been approved for listing on NASDAQ, subject to official notice of issuance.

All such opinions, certificates, letters and other documents will be in compliance with the provisions hereof only if they are satisfactory in form and substance to the Representatives and counsel for the Underwriters. The Company will furnish the Representatives with such

29

conformed copies of such opinions, certificates, letters and other documents as the Representatives shall reasonably request.

(a) The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, directors and officers, selling agents and each person, if any, who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any losses, claims, damages or liabilities, to which the Underwriter may become subject, under the Securities Act or otherwise (including in settlement of any litigation if, subject to subsection (d) below, such settlement is effected with the written consent of the Company), insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, including the 430B Information and any other information deemed to be a part of the Registration Statement at the time of effectiveness and at any subsequent time pursuant to the Rules and Regulations, if applicable, any Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus or in any materials or information provided to investors by, or at the instruction of, the Company in connection with the marketing of the offering of the Securities (“*Marketing Materials*”), including any roadshow or investor presentations made to investors by the Company (whether in person or electronically), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse the Underwriter for any legal or other expenses (including the reasonable fees and disbursements of counsel chosen by the Representatives) reasonably incurred by it in connection with investigating or defending against such loss, claim, damage, liability or action (including any litigation and any investigation or proceeding by any governmental agency or body, commenced or threatened), as those expenses are incurred; *provided, however*, that the Company will not be liable in any such case to the extent that any such loss, claim, damage, liability or action arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, any Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus, or any such amendment or supplement, any Issuer Free Writing Prospectus or in any Marketing Materials made in reliance upon, and in conformity with, the Underwriter Information.

(b) Each Underwriter severally agrees to indemnify and hold harmless the Company, its affiliates, directors and officers and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act, from and against any losses, claims, damages or liabilities to which the Company may become subject, under the Securities Act or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Underwriter), insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to

30

the extent, that such untrue statement or alleged untrue statement or omission or alleged omission in the Registration Statement, any Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus, or any such amendment or supplement, or any Issuer Free Writing Prospectus was made in reliance upon, and in conformity with, the Underwriter Information.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to any indemnified party except to the extent such indemnifying party has been materially prejudiced by such failure (through the forfeiture of substantive rights or defenses). In the case of parties indemnified pursuant to subsection (a) above, counsel to the indemnified parties shall be selected by the Representatives, and, in the case of parties indemnified pursuant to subsection (b) above, counsel to the indemnified parties shall be selected by the Company. In case any such action shall be brought against any indemnified party, and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein at its own expense; *provided, however*, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for the fees and expenses of more than one counsel (in addition to local counsel and not including the indemnifying parties’ own counsel) for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations and circumstances. An indemnifying party shall not be obligated under any settlement agreement relating to any action under this Section 6 to which it has not agreed in writing, subject to subsection (d) below. In addition, no indemnifying party shall, without the prior written consent of the indemnified party (which consent shall not be unreasonably withheld or delayed), effect any settlement of any pending or threatened proceeding unless such settlement includes an unconditional release of such indemnified party for all liability on claims that are the subject matter of such proceeding and does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement contemplated by subsection (a) above effected without its written consent if (but only if) (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement and the indemnified party’s intention to settle at least 45 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

(e) If the indemnification provided for in this Section 6 is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one

31

hand and the Underwriters on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative

fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Underwriters and the parties' relevant intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contributions pursuant to this subsection (e) were to be determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the first sentence of this subsection (e). The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (e) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending against any action (including any litigation and any investigation or proceeding by any governmental agency or body, commenced or threatened) or claim which is the subject of this subsection (e). Notwithstanding the provisions of this subsection (e), no Underwriter shall be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter with respect to the Securities underwritten by it and distributed to the public exceeds the amount of any damages that the Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' respective obligation to contribute pursuant to this clause (e) are several and not joint and shall be in proportion to the number of Firm Shares set forth opposite their respective names in Schedule A.

(f) The obligations of the Company under this Section 6 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls the Underwriter within the meaning of the Securities Act; and the obligations of the Underwriter under this Section 6 shall be in addition to any liability that the Underwriter may otherwise have and shall extend, upon the same terms and conditions, to each director of the Company (including any person who, with his consent, is named in the Registration Statement as about to become a director of the Company), to each officer of the Company who has signed the Registration Statement and to each person, if any, who controls the Company within the meaning of the Securities Act.

7. **Representations and Agreements to Survive Delivery.** All representations, warranties, and agreements of the Company herein or in certificates delivered pursuant hereto, including but not limited to the agreements of the Underwriters and the Company contained in

32

Section 6 hereof, shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Underwriters or any controlling person thereof, or the Company or any of its officers, directors, or controlling persons, and shall survive delivery of, and payment for, the Securities to and by the Underwriters hereunder.

8. **Termination of this Agreement.**

(a) The Representatives shall have the right to terminate this Agreement by giving notice to the Company as hereinafter specified at any time at or prior to the Closing Date, and the option referred to in Section 3(b), if exercised, may be cancelled at any time prior to any Date of Delivery, if (i) there has been, in the judgment of the Representatives, since the time of execution of this Agreement or since the respective dates as of which information is given in the Registration Statement, the Time of Sale Disclosure Package or the Prospectus (except as disclosed as of the date hereof in the Registration Statement, the Time of Sale Disclosure Package or the Prospectus), any material adverse change, including any material adverse change as a result of a strike, fire, flood, earthquake, accident or other calamity, in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its consolidated subsidiaries considered as one entity, whether or not arising in the ordinary course of business; (ii) the Company shall have failed, refused or been unable, at or prior to such Closing Date or Date of Delivery, as applicable, to perform any agreement on its part to be performed hereunder; (iii) any condition set forth in Section 5 to the Underwriters' obligations to close is not fulfilled; (iv) trading in the Common Stock shall have been suspended by the Commission or the Nasdaq Stock Market or trading in securities generally on the Nasdaq Stock Market, New York Stock Exchange or the NYSE Amex Equities shall have been suspended; (v) minimum or maximum prices for trading shall have been fixed, or maximum ranges for prices for securities shall have been required, on the Nasdaq Stock Market, New York Stock Exchange or the NYSE Amex Equities, by such exchange or by order of the Commission or any other Governmental Authority having jurisdiction; (vi) a banking moratorium shall have been declared by federal or state authorities; or (vii) there shall have occurred any attack on, outbreak or escalation of hostilities or act of terrorism involving the United States, any declaration by the United States of a national emergency or war, any change in financial markets, any substantial change or development involving a prospective substantial change in United States or international political, financial or economic conditions, or any other calamity or crisis that, in the Representatives' judgment, is material and adverse and makes it impractical or inadvisable to proceed with the completion of the sale of and payment for the Securities. Any such termination shall be without liability of any party to any other party except that the provisions of Section 4(h) and Sections 6, 7, 13, 14 and 15 hereof shall at all times be effective and shall survive such termination.

(b) If the Representatives elect to terminate this Agreement as provided in this Section 8, the Company shall be notified promptly by the Representatives by telephone, confirmed by letter.

(c) If this Agreement is terminated by the Representatives (x) as a result of the Company's failure to satisfy any of the conditions required to be satisfied by it pursuant to Section 5 (other than as a result of failure by Shearman & Sterling LLP to deliver its opinion in accordance with Section 5(g)) or (y) following the occurrence of the events described in Section 9, the Company shall reimburse any non-defaulting Underwriters upon demand for all of their

33

documented out-of-pocket expenses reasonably incurred by such non-defaulting Underwriters in connection with the proposed purchase, offering and sale of the Securities, including the reasonable and documented fees and disbursements of Shearman & Sterling LLP.

9. **Default by the Company.** If the Company shall fail at the Closing Date to sell and deliver the number of Securities which it is obligated to sell hereunder, then this Agreement shall terminate without any liability on the part of the Underwriters or, except as provided in Sections 6 and 10 hereof, any non-defaulting party. No action taken pursuant to this Section 9 shall relieve the Company from liability, if any, in respect of such default.

10. **Default by One or More of the Underwriters.** If one or more of the Underwriters shall fail at the Closing Date or any Date of Delivery to purchase the Securities which it or they are obligated to purchase under this Agreement (the "**Defaulted Securities**"), the Representatives shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters reasonably satisfactory to the

Company, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representatives shall not have completed such arrangements within such 24-hour period, then:

(a) if the number of Defaulted Securities does not exceed 10% of the number of Securities to be purchased on such date, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(b) if the number of Defaulted Securities exceeds 10% of the number of Securities to be purchased on such date, this Agreement or, with respect to any Date of Delivery which occurs after the Closing Date, the obligation of the Underwriters to purchase, and the Company to sell, the Option Shares to be purchased and sold on such Date of Delivery shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section 10 shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement or, in the case of a Date of Delivery which is after the Closing Date, which does not result in a termination of the obligation of the Underwriters to purchase and the Company to sell the relevant Option Shares, as the case may be, either the (i) Representatives or (ii) the Company shall have the right to postpone the Closing Date or any Date of Delivery, as the case may be, for a period not exceeding seven days in order to effect any required changes in the Registration Statement, the Time of Sale Disclosure Package or the Prospectus or in any other documents or arrangements. As used herein, the term "Underwriter" includes any person substituted for an Underwriter under this Section 10.
