Dear Raul Parra:

We have reviewed your May 8, 2024 response to our comment letter and have the following comment.

Please respond to this letter within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe a comment applies to your facts and circumstances, please tell us why in your response.

After reviewing your response to this letter, we may have additional comments. Unless we note otherwise, any references to prior comments are to comments in our April 10, 2024 letter.

Form 8-K Filed February 28, 2024

Exhibit 99.1

1. We note your responses to comments 1 and 3. Please further explain to us the specific nature of the consulting costs incurred for the corporate transformation initiative for each of the years presented addressing why these costs are not related to your operations, revenue generating activities and business strategy and thus represent normal, recurring operating expenses. In this regard, we note your statement that the purpose of the initiative is to drive value creation inclusive of optimizing certain commercial processes such as product life cycle management and pricing optimization, strengthening and enhancing the operating model and organizational structure, enhancing global manufacturing and supply chain processes through network consolidation and other
